How you can help us support our young OS when you buy a ticket for the dinner

In order to make the Annual Dinner as accessible as possible to all OS, the Association is subsidising the cost of tickets. If you would like to help the work of the Association, helping us to maintain contact with and support our members, then we would be very grateful if you would do so by purchasing sponsored tickets at £125 each. This will help us to offer reduced-rate tickets to our young OS and encourage their attendance. However, there is no obligation to purchase these tickets and the standard price is £99. The reduced rate for OS aged 25 and under is £75. This includes reception drinks, three course dinner and coffee, table wine and a great band!
