

Let Us Dream

AN INVITATION TO ALL

Holy Week Retreat: A thought-provoking programme for all the family

Each year, families and friends of the wider community join our chaplaincy team, guest Jesuit and lay speakers at Stonyhurst for a period of reflection over Easter.

Retreatants will be led in personal reflection over the Easter weekend, beginning with the Maundy Thursday Liturgy in St Peter's and culminating with Easter Mass on Sunday morning. A children's programme will run alongside the main programme of events which you can find on our website.
