Stonyhurst Christmas Cards 2022

Stonyhurst College, Clitheroe, Lancashire BB7 9PZ

This year, to raise funds for three different charities: Jesuit Missions Ukraine, Night Safe (a charity supporting homeless people in Blackburn) and Stonyhurst Collections we have produced packets of ten Christmas cards. There are two different designs to choose from, each having a unique take on the true meaning of Christmas. The two designs this year are from our very own collections, which are situated around our College.

We provide three different types of packs at £6 per pack:

- ★ Simple 1: 10 cards of The Annunciation
- ★ Simple 2: 10 cards of Angels Making Music
- ★ Mixed: 5 cards of The Annunciation and 5 cards of Angels Making Music

The Annunciation: This ornate glass window is situated in the Sodality Chapel of Stonyhurst, created by Paul Woodroffe.

Angels Making Music: This is a detail from the reredos of the College Chapel in Stonyhurst it has been beautifully painted with oil on panel by Percy Bacon & Bros. Of London in 1894.
